

THIS FEELS RIGHT

Why Bonnie Plans to Make a Gift to Hetrick-Martin Institute

This is Bonnie's way of ensuring that her commitment and legacy to life's most basic services and nurturance remain accessible to our LGBTQIA+ youth.

Bonnie knows she can count on HMI to continue offering our young people the opportunities and future they deserve. HMI is the oldest provider of the most fundamental services including basic needs, health and wellness, academic enrichment, and career development services to our youth.

IT'S MEANINGFUL

There are only 3 things you can do with your money. Save it. Spend it. Or give it away. Nothing feels quite as impactful as giving it away!

Gift your wealth to a non-profit enabling vital work supporting those you care about to continue. HMI offers LGBTQIA+ youth who have been rejected by family, a sense of belonging and affirmation. Our Community of Care centers their mental wellness and safety through free individual/group counseling, and also prepares them for professional and academic success. It is the most powerful legacy you can leave.

IT COSTS YOU NOTHING NOW

- You can change your beneficiaries any time
- No minimum or maximum amount is required
- Your decision is private and confidential
- You can't take it with you!

It's not just the guidance, the counseling, the resources that make the difference. It's the connections made with people that genuinely care about you, that has been the difference between HMI and any other nonprofit in New York. At HMI they don't just feed you, clothe you, and give you opportunities to make income, they care about you after you leave. That's the difference, this is home.

I will forever love ballroom. When I was a teenager, I basically lived at HMI. I found my first Kiki lounge there. I walked "face". I found community. I found family. Hetrick-Martin saved my life.
